3. Perform a desk review of the disbursements reported in the candidate's campaign finance report to identify any unusual items requiring follow-up during fieldwork.

**Finding**

Based on our review of the Committee's Post-Primary – Campaign Finance Report we did not note any disbursements which were not for direct campaign purposes.

4. Contact the candidate or the campaign treasurer, as appropriate, to schedule a date to perform audit fieldwork. Discuss the nature of the documentation, which will be needed to perform the audit and ascertain the location of the necessary documentation.

**Finding**

We contacted candidate Jesse Hernandez and scheduled the audit fieldwork date to commence on February 16, 2005. In addition, we discussed the nature of the documentation which will be needed to perform our review.

5. Conduct an entrance conference with the candidate and/or his or her representative(s) to discuss the purpose of the audit, the general procedures to be performed and potential future requirements of the candidate, such as possible repayments to the Fund.

### Finding

An entrance conference was conducted with the candidate on February 16, 2005. We discussed the purpose of the audit, the general procedures to be performed and potential future requirements of the candidate.

6. Conduct an interview with the candidate and/or his or her representative(s) to discuss the bookkeeping policies and procedures utilized by the campaign committee.

### Finding

An interview was conducted with Jesse Hernandez on February 16, 2005. Our review of the Committee's bookkeeping policies and procedures disclosed that the "cash on hand" activity is not being reconciled to the bank statements in a timely manner. This created a situation whereby inaccurate financial information was recorded on the campaign finance report.

7. Obtain the names of the candidate's family members. Family members include parents, grandparents, spouse, children, siblings and a parent or spouse of any of those persons.

### Finding

We obtained a listing of the candidate's family members. The listing included all the applicable family members, as by definition.

8. Obtain bank statements for each of the months in the reporting period and perform the following:
  - a. Select a sample of deposits and withdrawals from the bank statements and determine that the transaction is properly reflected in the candidate's records and campaign finance report.

### Finding

#### Deposits

For one of three deposits selected for testing the deposit amount was not recorded nor properly reflected in the candidate's records and campaign finance report for the review period. The following is a recap of the relevant information:

Date	Payor	Description	Amount
9/14/04	Citizens Clean Elections Commission	General participating	\$ 16,980.00

#### Withdrawals

For five of six disbursements selected for testing, the withdrawal amounts were not recorded nor properly reflected in the candidate's records and campaign finance report. The following is a recap of the relevant information:

Transaction/Check Number	Posted Date	Payee	Amount
119	9/08/04	Mishler Photography	\$ 459.43
Debit card POS	9/03/04	Office Max	21.61
Debit card POS	9/09/04	The Boathouse Restaurant	18.12
Debit card POS	9/15/04	Signals Cellular	237.81
Debit card POS	9/25/04	Home Depot	38.70

- b. Perform a proof of receipts and disbursements for the reporting period.

### Finding

We performed a proof of receipts and disbursements for the reporting period and determined that the Committee's "bank" activity did not agree to amounts reported on the campaign finance report. The following schedule will illustrate the results of this comparison:

	Campaign Finance Report	Bank Statements
Beginning balance	\$ (186.57)	\$ 1,277.11
Total receipts/deposits during the reporting period	11,320.00	28,300.00
Total disbursements during the reporting period	(12,701.05)	(14,138.52)
Ending balance	<u>\$ (1,567.62)</u>	<u>\$ 15,438.59</u>

As illustrated above, the "cash on hand" balance at the close of the reporting period differed between the campaign finance report and bank statements by \$17,006.21. The following schedule will illustrate the various items which comprise the stated difference:

Ending balance – per bank statements	\$ 15,438.59
9 debit card POS expenditures cleared bank, not reported on CFR	426.45
4 check expenditures cleared bank, not reported on CFR	735.17
Deposit for participate funding clearing bank statement , not reported on CFR	(16,980.00)
Various prior reporting period differences	(1,187.83)
Ending balance – per campaign finance report	<u>\$ (1,567.62)</u>

Our review of the Committee's bookkeeping policies and procedures disclosed that the "cash on hand" activity is not being reconciled to the bank statements in a timely manner. This created a situation whereby inaccurate financial information was recorded on the campaign finance report.

9. Judgmentally select a sample of early contributions reported in the candidate's campaign finance report and agree to supporting documentation, which reflects the name of the contributor (for all contributions) and for individuals who contributed greater than \$25, which reflects the contributor's address, occupation and employer.

### Finding

Based on our review of the Committee's Post-Primary – Campaign Finance Report the Committee did not report any contributions other than the CCEC participating candidate funding.

10. For other types of cash receipts reported on the candidate's campaign finance report, obtain supporting documentation and review for compliance with regulatory rules and laws and agree the receipt to inclusion in the campaign account bank statement.

#### **Finding**

For one of one other cash receipts selected for testing, this procedure was performed without exception.

11. For in-kind contributions, review the supporting documentation and determine the methodology utilized to value the contribution and assess the reasonableness.

#### **Finding**

We noted no in-kind contributions during the reporting period.

12. Judgmentally select a sample of cash expenditures reported in the candidate's campaign finance report and perform the following:

- a. Obtain supporting invoice or other documentation and agree amount to the amount reported in the candidate's finance report.

#### **Finding**

For six of six check disbursements selected for testing, this procedure was performed without exception.

However, during our review of the Committee's bank statements, we noted that nine debit card point of sales (POS) transactions had cleared the bank but were not listed or included on the campaign finance report for the period. The following is a recap of the relevant information:

Transaction Type	Posted Date	Payee	Amount
Debit card POS	9/03/04	Office Max	\$ 21.61
Debit card POS	9/04/04	Safeway	13.71

Debit card POS	9/25/04	Home Depot	38.70
Debit card POS	9/25/04	Home Depot	53.81
		Total	<u>\$ 426.45</u>

- b. Determine that the name, address, and nature of goods or services provided agree to the information reported in the candidate's campaign finance report.

- 13. Determine whether any petty cash funds have been established and, if so, determine how expenditures from these funds have been reflected in the accounting records. Determine that aggregate petty cash funds did not exceed the limit of \$1,100 and individual expenditures did not exceed \$110.

### **Finding**

The Committee did not maintain any petty cash funds during the reporting period.

Conduct an exit conference with the candidate and/or his or her representative(s) to discuss the preliminary audit findings and recommendations that the auditor anticipates presenting to the CCEC. We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Post-Primary – Campaign Finance Report of the Committee to Elect Jesse Hernandez. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
